Wanna know how to make a dental dam?

We'll show you!

SKYLARK

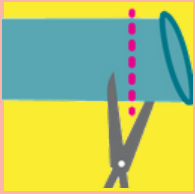
1

Remove condom from package

2

Cut off the tip of the condom

3



Cut off the rim of the condom

4

Cut along one side of the condom

5

Voilà! A dental dam

Please note: All safer sex supplies are one use only. Dispose of and replace the condom after contact with body part, sex toy or partner. See expiry date before using.
